**DETAILED ACTION**

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

The application is allowable for the reasons set forth on the Applicant's response filed on October 17, 2005. Examiner agrees with the applicant's remarks made on page 15-22 of the Applicant's response filed on October 17, 2005 i.e., the claimed invention requires sending and receiving of SMS status notification information of a voice message.

Smith's reference teaches that mobile device is adapted to receive SMS message notification signal via SMS sever notifying the user of pending voice mail message in the voice mail server. Smith reference also teaches that the mobile device displays updated status notification information regarding the received voice mail message. Smith's reference also teaches that mobile device is adapted to transmit SMS message signal via SMS sever to other mobile devices.

However, Smith's reference fails to disclose that updated status notification information of the particular message (i.e., modified status information of the message) displayed on the mobile device is in response to received SMS status notification information signal transmitted from the voice mail server as cited in Claims 1, 2, 5, 6, 9, 15, 16 & 17.

Smith's reference also fails to disclose that mobile device is adapted to transmit SMS updated status notification information of the message stored in the voice mailbox

of the mobile device in order to synchronize the status of received message stored in the voice mailbox of the voice mail server as cited in Claims 11, 13, 18 & 19.

Other cited reference fails to disclose sending and receiving of the SMS signal having updated status notification information regarding a certain voice mail message in combination with the other limitations in the claims.

The combination of the references described above do not teach the feature of the sending and receiving the SMS signal having updated status notification information of a certain voice mail message i.e., SMS modified status message information in combination with the other limitations in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
